- Tools: 3dmax · Adobe Suite · Canva · Manual Craft · Photography

JERASH REVIVED

An artistic tribute to the ancient Roman city of Jerash. I merged acrylics and recycled plastic into a modern reimagination of history, echoing lost voices in vibrant color and form.

- Type: Conceptual Art
- Medium: Mixed Media, Photography
- My Role: Artist, Material Explorer

APARTMENT – DUBAI

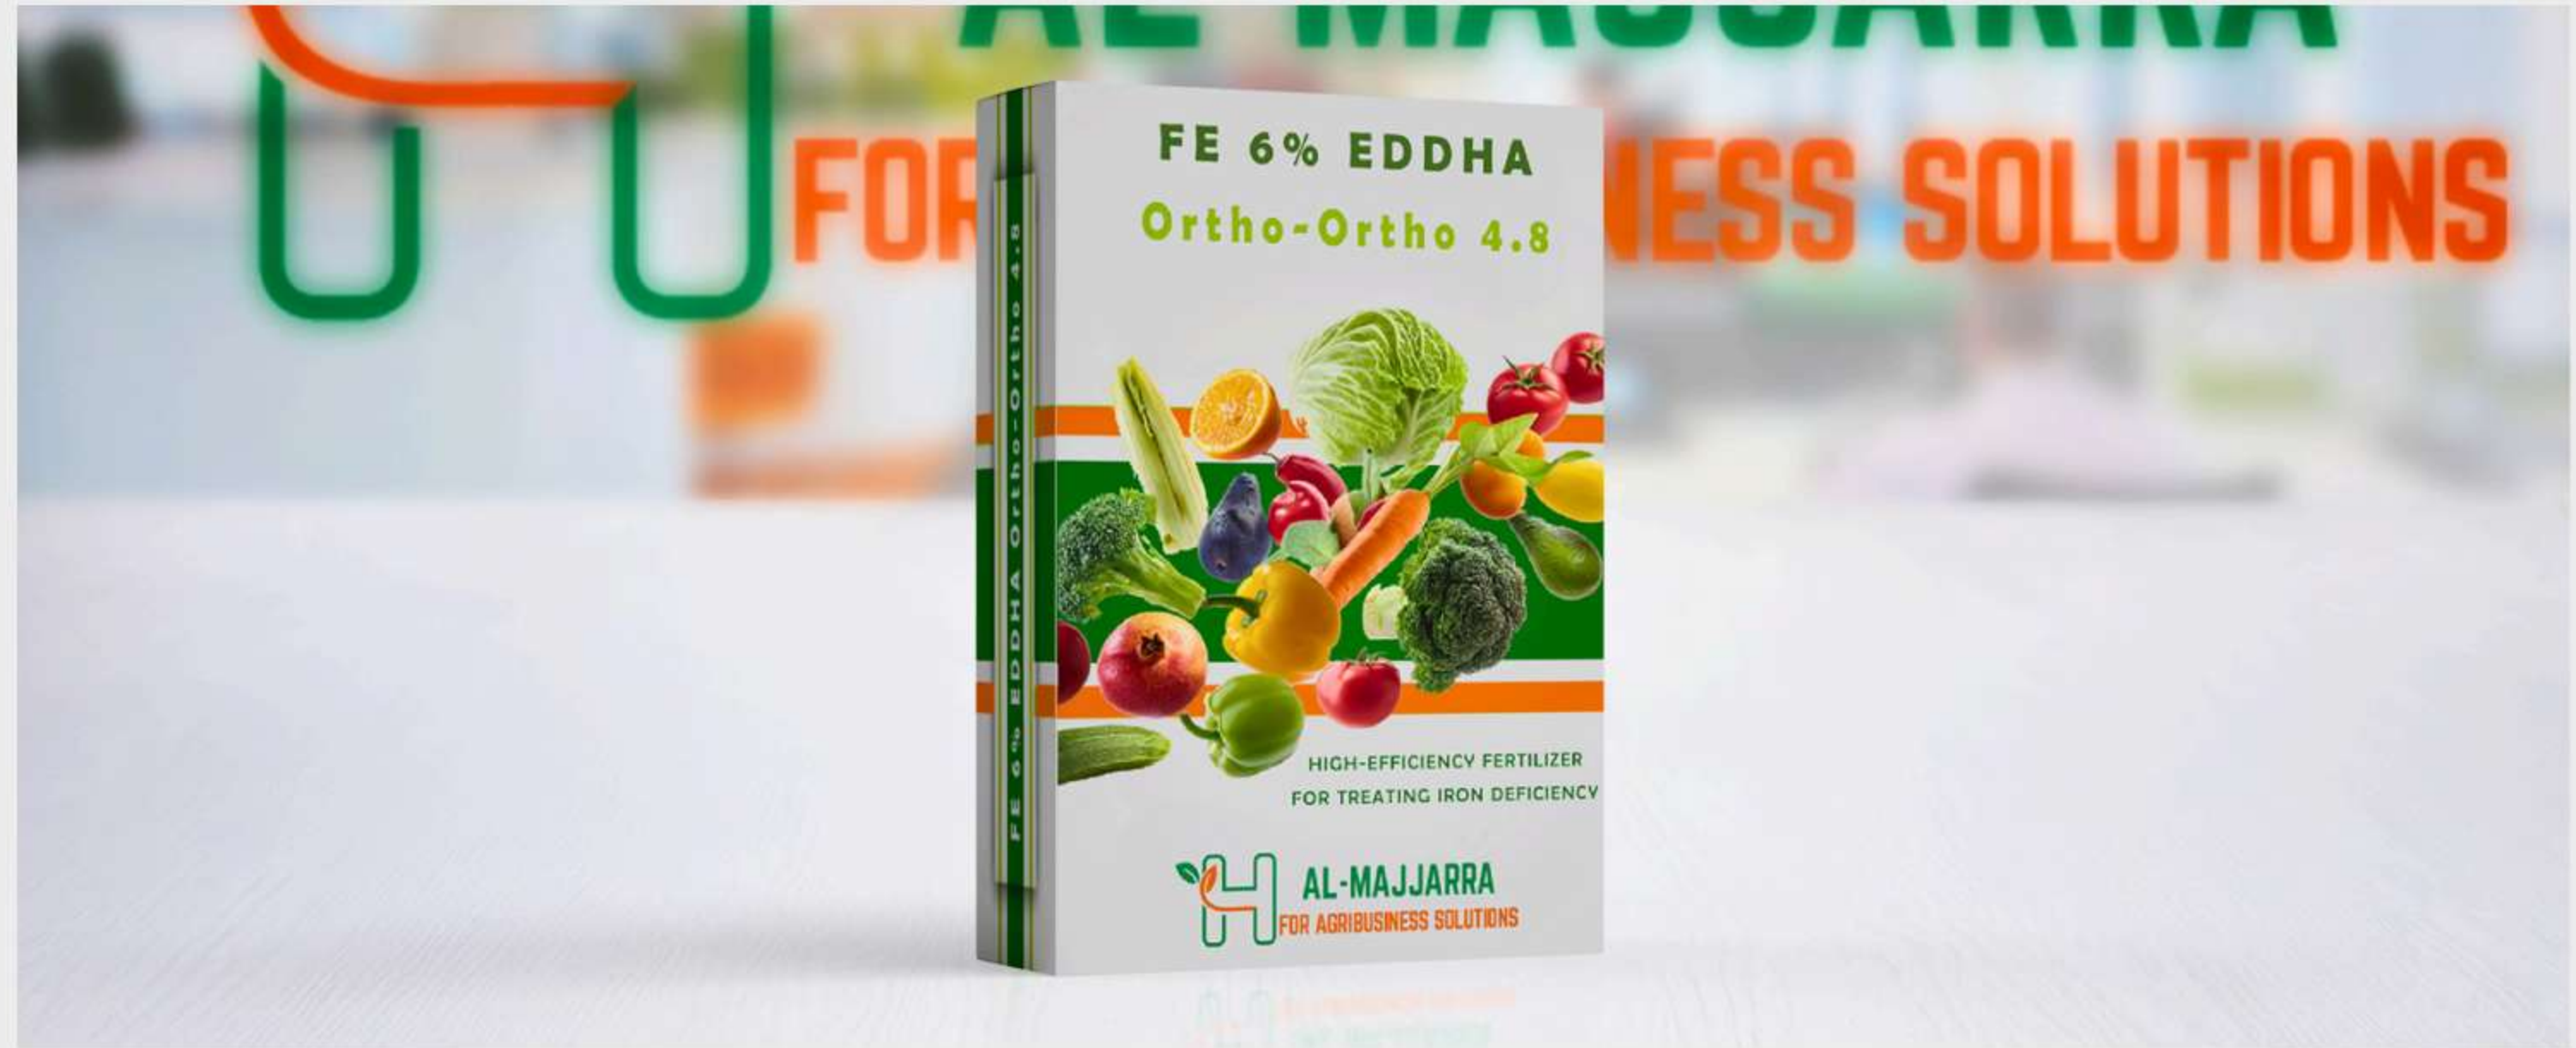

Designed for a solo woman and her two cats, this cozy Home-Hotel concept balanced luxury and softness. I led the planning, furniture layout, and visual storytelling of her lifestyle in every inch.

- Type: Residential Interior
- Style: Feminine, Minimal Luxe
- My Role: Concept to Execution

GRAPHIC DESIGN & MEDIA

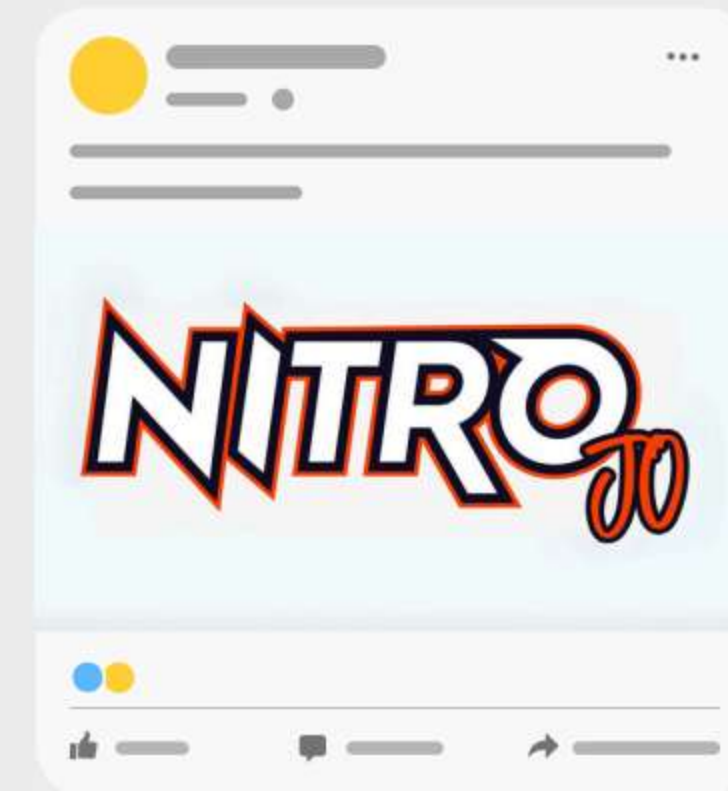

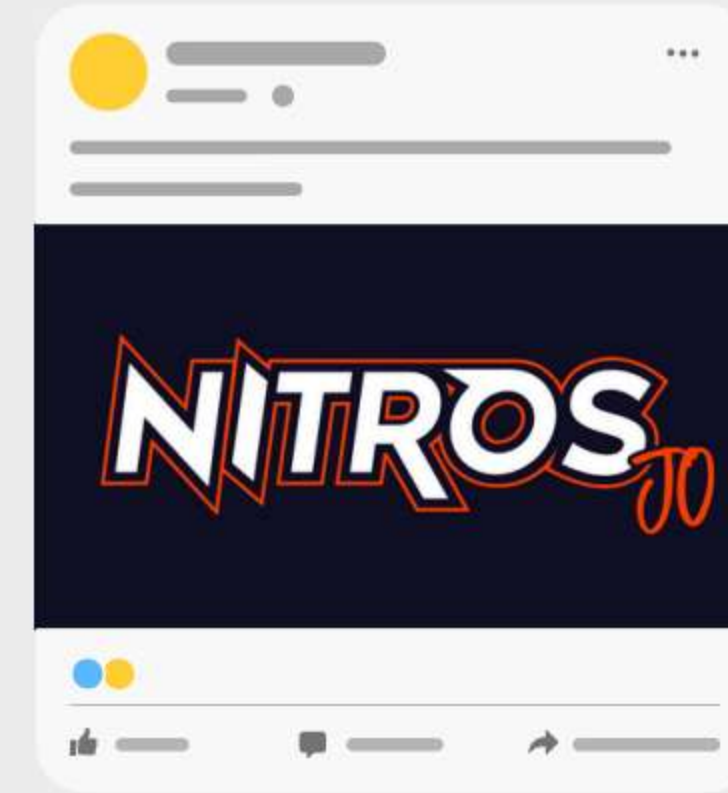

Branding is story. Through reels, posts, and posters, I help clients turn vision into scroll-stopping visuals.

- Type: Graphic Design + Motion
- Tools: Canva · Premiere · Photoshop
- Works Include: Poster designs, carousel posts, logos, packaging mockups

RizzLuxe Sneakers

RizzLuxe Sneakers are more than footwear — they're wearable attitude.

Born from the RizzLuxe movement, this sneaker concept translates motivation, street energy, and luxury aesthetics into bold design.

- Category: Product Concept Design / Fashion x Street Culture
- Role: Artist · Concept Designer · Brand Storyteller

CROSS CULTURE

From canvas to desert— this series blends contemporary art with the raw, rugged soul of Jordan's natural landscapes.

Rocks, waves, and grains of sand are reimagined as brushstrokes and patterns, merging human expression with Earth's textures. Each piece captures the silence, heat, and timelessness of the land, brought to life through bold color and tactile form.

This is not just painting. It's nature, revived on canvas.

- Type: Conceptual Fine Art
- Medium: Acrylic · Sand · Mixed Materials
- My Role: Painter & Environmental Storyteller
